NATIONAL SPACE CENTRE TRIP

We would like to let you know of a trip next half term in **Year 5** aligned with our IPC 'Our Place in Space' topic. To complement this and extend the children's learning, Voyager and Apollo will be paying a visit to the **National Space Centre in Leicester**. This will take place on **Monday, 11th November** and will be a really exciting opportunity for the children to explore space in an interactive learning environment.

The cost of the trip will be £25.00 per child, which includes entrance to the Space Centre and the coach journey. *Unfortunately, we are unable to meet these costs from our own funds and the visit will only be able to go ahead if parents are prepared to make this voluntary contribution. We do not want any child's participation in this event to be affected by difficult financial situations, so please speak to Mrs Cook should this voluntary contribution be a problem.*

The children will need to bring a packed lunch for the trip and unfortunately because of the timing the school kitchen is unable to provide one. Due to the distance we are travelling, we are asking that the children be **at school for 7.45am prompt**, so that we can depart by 8.00am. We are aiming to **return to school at approximately 4.45pm**. We will keep you updated via Twitter.

Please could you return the slip below, with payment, **by Wednesday, 6th November**. You are able to pay this contribution via the 'School Gateway' or by cheque (made payable to Whitehill Junior School).

Many thanks for your continued support,

Mrs S Small, Mrs H Burniston & Mrs C Cornell
Year 5 Teachers
