

### School Report Consultation

Thank you for taking the time to consider the following questions. You will not receive individual feedback to your comments but they will help to finalise the changes to the school report format.

Child's Year Group:			
	Agree	Neither agree nor disagree	Disagree
The new format gives me all the information I need about my child.			
I like the fact that the main comments appear first.			
The <b>effort</b> grade is easy to understand and the three descriptors are appropriate.			
The <b>attainment</b> grade is easy to understand and the three descriptors are appropriate.			
There should be next step comments about English and Maths only.			
I like the fact that there is a Headteacher's comment on each report.			

**Any other feedback? (Particularly if you have ticked 'disagree' above)**
