Thursday 13<sup>th</sup> June 2019

Dear Parents and Carers

**'Maths in Action'**  
**A Maths Mastery – Parent Information Evening**  
**Wednesday 26<sup>th</sup> June 2019**

We are pleased to offer you an evening of discovery. Do you remember how you were taught Maths at junior school? We are pleased to let you know the teaching and learning of mathematics has changed dramatically since then!

On Wednesday 26<sup>th</sup> June at 6:00pm, you will have the opportunity to see 'Maths in Action'. There will be a brief explanation of how we teach Maths Mastery at Whitehill and then it will be over to the real experts; children from each year group will be leading the teaching of different aspects of the curriculum.

Staff will be available to answer any questions during the 'hour's lesson' and model any concepts you are unsure of.

To give me a brief idea of how many chairs we need, you can reserve places using our online booking system or by letting me know through the school office:

<https://whitehill.parentseveningsystem.co.uk/>

There will be a 'crèche' available for younger children so you can fully experience the classroom again.

Yours sincerely,

*Theresa Bryan*
