Dear Parents and Carers

Proposed Class Structure – September 2020

I would usually be writing today with reference to your child’s written school report and also telling you which class they will be moving to from September.

Given the circumstances we find ourselves in at the moment, your child’s school report will now be sent out digitally over the next week. This will take some time and so I would ask for your patience. It could well be that siblings will receive their reports on different days.

The letter accompanying the report will still highlight the planned class move but I thought it best to send out a letter in advance with all the moves referenced so that we avoid worry and guesswork if some of you receive the reports before others.

Mrs Avey will be doing a similar thing at Highbury today. She will be writing to inform the pupils in Year 2, who are transferring to Whitehill, which class they will be going into here.

We are so lucky with the teachers at Whitehill in terms of their skill and commitment. I have no doubt that all pupils will enjoy the opportunities which will be presented to them as they continue on their Whitehill journey. Teachers have already been meeting to talk through transition and to find out about the pupils who will be joining them in September. They are all very excited.

It is imperative to remember, however, that we are currently in an unprecedented situation which places specific restrictions on what we are able to do in schools. It could well mean that the traditional plan for September will need altering. The Leadership Team is already thinking about creative ways to blend the planned structure with aspects of the remote learning currently taking place. I will continue to keep you informed throughout the summer via the usual channels of communication.

Thank you for your ongoing support of the school and my wonderful staff team.

Kind regards,

Steve Mills
Headteacher
