Monday 5th October 2020

Dear Parents and Carers

I am writing to inform you that Miss McGurk will not be in school for the next two weeks as she is now required to isolate due to the coronavirus test and trace system. The positive case with whom she has been in contact, this weekend, is routinely tested through their employer and is asymptomatic. That being said, the regulations stipulate she must now isolate.

To ensure continuity over this two-week period, Miss McGurk will be delivering lessons remotely through video link, whilst these lessons in school will be facilitated by Mrs Vernon and Miss Gooderham. I am pleased that my staffing structure continues to enable me to have a qualified teacher in all classrooms together with the member of support staff with whom the pupils are familiar.

The consultation evening scheduled for Thursday 15th October will still go ahead as planned.

Thank you for your ongoing support.

Kind regards,

Steve Mills
Headteacher
