Children register an interest with the adult running the club when it has been announced in assembly.

It is an expectation that if a child joins a club then they will attend for the whole term and if they are unable to attend that the adult running the club or the office is notified.

Tennis Club, Dance Club and Football Club (on a Friday) are run by external organisations and may have different start and finish dates to those organised in school.

These need a termly commitment payable in advance on the first session to the organiser.
