Thursday 22nd April 2021

Dear parents/guardians,

## Overstrand 2021 – Year 4

As you are aware, we are planning for the school journey to Overstrand to go ahead on the 26<sup>th</sup> May (Government announcement dependent). We are still busy working on the final details but we thought it would be useful for you to have some information at this time.

Accompanying this letter, you will find a personalised medical form that needs to be returned by **Friday 30<sup>th</sup> April** and a parent information booklet for the trip. This is usually handed out at the final parent meeting however, as this will be a recorded event, we thought it would be useful to have beforehand. If you do have any questions, you can email them to [wjsj4@whitehilljunior.school](mailto:wjsj4@whitehilljunior.school) or you can catch either of us on the playground at the end of the day. Once we've received questions, we will put together a recorded presentation that will address all questions. We will let you know when this is published.

Kingswood have put in place their own COVID policy. We have included the most relevant information from this on the parent booklet however, if you would like to see the full document, please let us know.

We have our own dedicated twitter account for the school journey. It is a private account, so you will need to request to follow it. For security reasons, please use the same account that you use to follow the school Twitter account. We will be posting any trip updates on this account and then whilst we are at Overstrand, we will use this account to share photos and updates with you.

The twitter account is **@whitehillsj4**

The children have been fitted for their hoodies and these will be distributed in the week prior to the trip (whether or not it goes ahead). We are very much looking forward to this trip taking place!

Kind regards,

Glenn Denney and Sophie Davies
