Year 6 Residential Trip- Little Canada, Isle of Wight.  
Monday 23<sup>rd</sup> – Friday 27<sup>th</sup> May 2022

Dear Parents and Carers,

We are writing to you to invite you to an information meeting regarding our Year 6 school journey to Little Canada. The meeting will be held, after school, at 3.30pm on Monday 27<sup>th</sup> September 2021. At the meeting we will give you the details and costings of the trip and you will have the chance to ask questions.

We will be staying at the PGL Centre, Little Canada which is located close to Ryde on the Isle of Wight. It is a residential Centre set amongst woodland on the banks of the estuary at Wootton Creek. We will stay there from Monday to Friday night and it is anticipated that we will spend the trip undertaking a series of day trips around the island and activity sessions on the site. We plan to spend lots of time enjoying the Great Outdoors!

The plan is to cross from Portsmouth to Fishbourne by ferry, which takes approximately 45 minutes. We plan to make a stop-off (tbc) on the way down. During the week we plan to visit Alum Bay, Sandown Zoo and other locations; currently, these excursions are in the process of being confirmed. In addition to day trips and onsite activities that range from Abseiling to dragon boat racing, we will be offered a range of evening activities such as coastal walks.

The Centre will supply all meals for the duration of the stay, including packed lunches for days out and the journey home. All diets will be catered for and we will be in contact presently to confirm any dietary requirements.

We will be in touch nearer the time to give you further information regarding kit lists, travel itinerary and other practicalities, I refer you to the parent page on the website.

We are so excited at the prospect of taking Year 6 on this wonderful trip. We hope to put a pre-recorded information presentation on the school website in the next week or so. This will hopefully fill in any extra details but if you do have any question, you can catch me after school or email concerns via the school admin address.

Best wishes,

Clare Bailey, Theresa Bryan and the Year 6 Team.
