After School Provision at Whitehill Cookie Club

May 2022

Dear Parents and Carers

We are looking forward to welcoming you to Whitehill in September and will shortly be writing to you again with details of the transition process and other important information.

For now, however, we wanted to draw your attention to the arrangements for our wrap around provision, details of which can be found [on our school website](#).

Our early morning provision is through Highbury Breakfast Club which many of you will already be familiar with, however the after school provision will move to [Cookie Club at Whitehill](#). We have been delighted with the service that Cookie Club have provided since joining us in September 2020. Registration for Cookie Club is direct through them. All the links and registration forms can, again, be found on [their website](#).

Best wishes,

Steve Mills
Headteacher
