# Fun Education Care

No registration fees  
No complicated fee structures  
Flexible and affordable

To ensure the safety of all children;  
At least one first aid trained member  
of staff is on site at all times.

All staff undergo a criminal record  
check, proving their suitability for  
working with children.

All staff are trained (and still  
training!) to provide a safe, fun and  
educational environment for children,  
and to promote learning.

Children are all signed in and out of  
the building, and collected only by an  
adult known to staff.

We have a duty to provide for and  
care for all children attending the  
Cookie Club. We expect, and promote,  
all children to behave in a kind,  
caring and responsible manner whilst  
attending the Cookie Club.

Care, fun and  
education before  
and after school  
for 4-11 year olds

until 6.15pm for £2.50 extra!

## Activities

We take great pride in providing a wide range of fun, educational activities that engage and challenge children in order to support their learning in a way that is relaxed and friendly.

We plan our activities using ideas and feedback from children and their current interests.

## Meals

Breakfast is served in the mornings until 8.20am. All children will be offered a choice of cereal, toast, toasted muffin, brioche, yoghurt and fresh fruit.

Snack will be offered to children upon arrival to Cookie Club after school (this is a hungry time of day!) A light tea is then offered at 4:45pm from our two week rotational seasonal menu.

Water is on offer throughout the session for children to help themselves to.

We strive to cater for all children's dietary needs, so please just let us know if your child has any allergies or requirements.
