## Reading Books and Reading Records

Dear Parents and Carers,

Thank you for your support so far this term. Your children have had a great start to their time at Whitehill and we are enjoying getting to know them.

As you are aware, on Monday, we sent home your child's reading book and reading record. Please can you ensure that they are both in school every day. Reading is a vital life skill and we take as many opportunities as we possibly can during the school day to allow your child to read – sometimes it will be independently and other times it will be with an adult, but to make this work, we must have both reading records and reading books in school at all times.

Whenever your child reads with an adult in school, this is recorded in their reading record. On top of any reading we do at school, we expect to see at least **3** entries written into the Reading Record where your child has read with an adult at home.

## Healthy Break time Snacks

At Whitehill, we have a healthy snack policy at break time. Snacks should be a piece of fresh fruit or a fruit based snack (no nuts).

## End of Day Collection

Year 3 children are to be collected from just outside their classrooms. As fun as it is to go and play on the play equipment whilst they wait to be collected, we cannot allow this to happen.

Kind regards

Mr. Denney and Mr. Wells
