

The Whitehill Weekly

Football Matches

On Tuesday, Upper school took part in a match against St Francis.

Lower school also took part in the match against the lower school of St Francis.

The Upper school game was close. With Jess scoring a goal in the first half. Then St Francis came back with a goal. Jess managed to score again and make the score 2-1 to Whitehill. After a while St Francis scored two goals putting them in the lead; Jess however wasn't going to let it stand, and with an awesome pass from Bella we scored our last goal making the final score 3-3.

The Lower school match was a starter game for most of them so they had to play football at their best. Brooke scored a magnificent goal and they cheered so loud it could be heard everywhere. Sadly they lost 12-1 to St Francis but they enjoyed n themselves. After the game we got cookies!!

Netball Matches

On Wednesday the 8th of February, Whitehill A and B team played netball matches away against Highover.

It was a tough game and unfortunately both teams lost, however we tried our absolute best and should be very proud of our efforts.

The final scores at the end of the matches were: 5-1 to Highover for A team and 9-0 to Highover for B team.

Excellent work and a job well done to everyone who took part in either of those matches!

Great Work!

Bronze Medal Athletes

On Wednesday the 25th of January at Hitchin Girls' School, a group of year sixes took part in a sports hall athletics festival. They took part in different sports such as relay races, javelin, speed bounce and chest push etc.

Everyone did extremely well, but a special shout out to Mr Henderson for helping all of the schools by demonstrating one of the relay races. Thank you Mr Henderson! Well done everyone!

Unfortunately Whitehill did not come first but were happy with a fantastic third place.

A special Thank you goes to Miss G and Mr Henderson for organising our trip to HGS and for taking those year sixes.

Everyone did so well and should be very proud of themselves!

Great Work!

Bikeability

Recently Yr5's are taking part in bikeability, learning how to ride on roads.

On Monday they practised cycling on the playgrounds and learning how to check their bikes.

On Tuesday they started to ride on roads and to cycle around junctions.

Wednesday they continued to cycle around junctions. This time cycling out of the junctions and around where they were.

They then went on to practise cycling in and out of two junctions and going up hills, Making sure they looked behind them to help them to see where other cars were.

Friday was the last day for them to practise their cycling. They then had to pass a road sign test at the end. They then earn their L2 badge.

Interviews

We have interviewed some people from the sports hall athletics competition to help us understand more about what happened.

First we interviewed Shaan (in Wilde class) who said, “ We arrived to see three other schools competing. It all started with warm up where we had to do hurdles and over and under a tunnel. We did that until the competition started and then we got ready for the activities to start. I did chest push, 4 by 1 relay and 4 by 1 relay with a baton.”

We also interviewed Jake (Wilde class) who said, “ It was really fun because everyone was cheering you on and shaking your hands.”

Lastly we interviewed Ruby-Shea (Wilde class). She said, “ I liked the obstacle relay and the 4 by 1 relay. I was a bit nervous but I was mostly happy and excited. I loved it!”

Achievements of the Week

Whitehill always has a lot of achievements to celebrate at the end of the week. All of the classes could have won anything and class of the week was apparently very difficult to choose.

The winners of the house cup this week are... **EARTH!**

As Mr Waluk has been away for a few days, Mr Mills presented the wombles to a few pupils from WILDE class who have been helping out at lunchtimes. Good job!

And finally...

The winners of class of the week are...
AZTEC CLASS!
