## Whitehill Junior School Music Curriculum Overview and information 2023

## **Our Aims**

Music enables pupils to express themselves, be inspired by composers and performances. Musicians at Whitehill embrace their creativity and explore a range of instruments and music styles. Learning music can enhance broader skills such as team collaboration, turn taking and appreciation of others. Music can also be seen to have a significant impact on the wellbeing of individuals. Music is taught both within lessons in class as well as through singing assemblies, to fulfil the requirements set out in the National Curriculum. Every child will learn to play an instrument as well as musical composition, organising and manipulating ideas within musical structures and reproducing sounds from aural memory. Each year will include a recap on previous skills as well as broadening and develop musical knowledge.

The National Curriculum sets out the following aims for music:

- Perform, listen to, review and evaluate music across a range of historical periods, genres, styles and traditions, including the works of the great composers and musicians.
- Learn to sing and to use their voices, to create and compose music on their own and with others, have the opportunity to learn a musical instrument, use technology appropriately and have the opportunity to progress to the next level of musical excellence.
- Understand and explore how music is created, produced and communicated, including through the inter-related dimensions: pitch, duration, dynamics, tempo, timbre, texture, structure and appropriate musical notations.

By the end of their time at Whitehill, pupils will be able to appreciate a range of music and have the confidence to perform as part of a small group in front of a small audience. Pupils will also be able to enjoy the music they experience and hear in their daily lives and understand the impact it might have on people or as part of a broader artistic experience (for example in a film). They will be able to talk about what they hear within music considering the instruments they can hear and the types of genres (such as classical, jazz or folk music). Pupils will be creative when composing their own music and will have had the opportunity to play a range of instruments.

	Pupils will taught to:					
National Curriculum	Year 3	Year 4	Year 5	Year 6	Throughout School	
Play and perform in solo ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression.	Rainforest Topic Perform and record Rainforest compositions using percussion instruments. Learn songs, performing as both a group and in parts. Perform as part of an Ensemble on a percussion instrument	Volcanoes Perform a composition based around natural disasters using percussion instruments. Perform as part of an ensemble on a tuned percussion instrument to an audience.	Perform in front of peers on the flute and clarinet within the lessons Perform as part of pre-recorded woodwind assembly on either the flute or clarinet, which will be shared with parents and peers. Perform (record) their own solo composition.	Perform their own rap style composition, using an app to create their own backing beat. Perform their own ukulele compositions to an audience.	Church Service Perform as part of a Christmas Service, the whole school singing together. Any children are welcome to perform as part of the choir. Individual Opportunities Perform in front of an audience and will have opportunities such as: - Assembly - Woodwind Assembly (recorded) - Choir performances - Assembly entrance music	
Improvise and compose music for a range of purposes using the inter- related dimensions of music.	Rainforest Compose their own rainforest inspired music using percussion instruments. Inter-related dimensions of music Use and understand the meaning of musical terms such as. structure, dynamics, tempo and texture of music and explore them in music.	Natural Disasters Compose their own volcano and earthquake inspired piece, using percussion instruments and voices. Consider how to represent their composition through notation or drawings. Inter-related dimensions of music	Composition Create their own short composition, inspired by film music, based on their own film ideas. Inter-related dimensions of music Recap the terms: Dynamics Tempo Texture Structure Timbre	Composition Compose their own lyrics to a well-known song. Compose their own rap, in an ensemble, using chords and lyrics relating to class-based topics. Inter-related dimensions of music Recap the terms: Dynamics Tempo
