

Monday 27th April 2026

Dear Parents and Carers

Summer Term Update 2

As we continue to enjoy the summer weather at the start of the summer term, here are a few updates, reminders for you.

School Discos

On Wednesday this week (29th April), our Friends' Association will be hosting the final school discos of the year (and my final ever school disco!). The Lower School disco starts at 6.15pm and runs through to 7.30pm with the Upper School disco starting at 7.45pm and running through to 9.00pm.

Tickets are still available through the usual Friends' channels but feel free to catch me on the playground should you have any questions.

Sports Kit Amnesty

Mr Ciepiela and Miss King have been exceptionally busy in recent weeks running sports fixtures for pupils across all four year-groups. As always, I am extremely grateful for the time and effort they put into the extra-curricular activities, giving so many pupils, so many opportunities.

With so many pupils representing the school, we have handed out lots of school kit but unfortunately, not all of it has been returned. Please would you have a good look around at home and in your child's bags to make sure you are not hanging onto any of our school kit.

It isn't just full kit we are missing. Some kit has been returned but without socks or shorts, for example, and so we really do need to have a thorough search.

I have always been proud of the way our pupils look when representing the school and I am keen for this to continue to be the case.

Warm Weather

With the weather being favourable at the moment, please would you ensure your child comes to school with suncream / sun protection applied, as we enjoy our outside space as much as possible.

As always, thank you for your ongoing support.

Kind regards,

Steve Mills
Headteacher
