Dear Parents and Carers

Summer Term Update 3

Just a short update today, following on from something I mentioned in last week's blog.

Our school uniform supplier, [Beats](#), have added a royal blue '[skort](#)' to the options available in PE following on from a request from some Year 5 pupils. This is an alternative to the shorts pupils wear for PE lessons.

In line with national policy, the skort is, and will remain, an unbranded item.

There is no requirement to change from shorts to a skort, it was added following discussions and trials with a group of Year 5 girls, who felt it provided better support and was more practical.

There are links contained within this communication to Beats and I will update the uniform list on the [school website](#).

As always, thank you for your ongoing support.

Kind regards,

Steve Mills
Headteacher
